5. I understand that sexual harassment, sexual abuse, and improper sexual contact are absolutely forbidden in any parish or school or other agency of the Diocese of Lansing. Physical contact with any person must always be limited, appropriate, non-sexual, and public.
6. I will not distribute, send, knowingly receive, or possess pornographic images of adults or children.
7. I will immediately report significant physical, sexual, pastoral, or financial misconduct to civil authorities and to the appropriate person within the diocese. If I am uncertain to whom to make such a report, I will contact the Office of the Chancellor of the Diocese. (517) 342-2454.

I understand that I am subject to a thorough background check that may include fingerprinting and a criminal history. This may occur at the outset of my service and may occur again at any time, without notice or reason. I understand that any action or inaction inconsistent with this Code of Conduct may result in my termination or removal.

APPENDIX H

Letter of Understanding

Dear Parents,

Congratulations on enrolling your child at St. Joseph Catholic School!
You've made one of the wisest choices regarding your child's future.

Of course, the future we're talking about is not only your child's personal life and future career in the secular world, but also and especially *the fullness of life one day in God's Kingdom*. Knowing that you are the primary and principal educator of your child, we the members of St. Joseph Church and School are proud to partner with you to nurture your child to their fullest potential. To that end, we will provide a learning environment rooted in academic excellence, an environment which is imbued with our Judeo-Christian Catholic faith and which caters to the personal, social, and spiritual development of every student.

Our partnership with you and your family is comprised of:

- **Christian Values-based Catholic Education**
Traditional values are hard to come by today, but not at St. Joseph's. In addition to religion classes, components of our faith are interspersed throughout the classroom curriculum and other special events such as guest speakers and a weekly celebration of Mass.
- **Grace of the Sacraments and Community Worship of God**
Your child will be prepared to receive the Sacraments of Reconciliation and the Eucharist at the age appropriate grade levels. They will also participate in regular celebrations of a weekday Mass. Please note: *School Masses do not substitute for our obligation to attend Mass on Saturday or Sunday.* Students are still expected to attend Sunday Mass with the rest of their community.
- **An Applied Living of the Gospel Values**
Throughout the year, students will participate in activities that lend themselves to fulfilling the Lord's call to love our neighbor as ourselves. Such events, like food drives and outreach to the local retirement homes, allow our students to put into practice the virtues and values they are learning in the classroom.
- **Academically-Charged Learning Environment**
Our school's curriculum is based in research and results-proven standards of instructional practice. Our students' achievements are often significantly higher than average.
- **Safe Environment**
A safe environment has many facets, and we have worked hard to ensure them for your child. Examples are an ongoing emphasis on showing kindness to others (anti-bullying), the physical security of our buildings, age-appropriate subject matter, training for all employees and volunteers in the safety of our students, and extra sanitizing procedures during times of high disease-transmission.
- **Financial Aid**
We understand that raising a family in this day and age is not easy economically. However, we feel so strongly about what we have to offer here at St. Joseph that we partner in that cost with you. Additional financial aid is available for those who need it.

By registering your child in our school, you understand that this is a Catholic value-based program that shares and fosters the seeds of our faith in the lives of our student body. Parents whose religious practices and beliefs

do not align to Church teaching might experience conflicts as we follow our mission. We welcome opportunities to answer your questions and expand your understanding of our faith, but openly hostile or persistent defiance of Catholic truths or morality are a violation of what our school stands for. We expect our families to live their lives in a way that supports, rather than opposes, the mission of our school and our faith beliefs.

We are excited your child will be with us in the coming year and we look forward to seeing how the Holy Spirit will be at work in each of us as we make this journey together.

READ, SIGN, AND RETURN TO THE SCHOOL OFFICE.

A school is a community with its own culture. The emphasis is learning, but we want everyone to be safe and responsible, as well as respectful. There are rules that govern a school just as in our communities, towns, cities, state and nation. When you send your child to school, you agree to support the school and your child agrees to follow the expectations at the school in order to attend it. Please read the handbook, sign/date this form and return to school. This will serve as an acknowledgement of understanding the basic policies and expectations of St. Joseph Catholic School.
